Bryan, could you post this on our website? Our school asked if we would. Hey, I'm loving the website and the games on line.

Thanks, Jon

**Subject:** Washington Association of Student Councils paperwork---Need your help

Hi Jon,

Yesterday AM when I spoke with you in ASB office, I asked if you would help the Leadership class find parents who would be willing to provide home-stays for leadership students from around the State who will be attending the Washington Association of Student Councils conference coming up in October. Our region is hosting this conference this year. I have attached the signup info that parents would need to fill out and submit. We are getting down to crunch time.....and are still short of places for these students to stay. Thank you so much for doing helping us.

Ellise
